SUMMARY

Creative Strategist and AI Commercial Director turning audience insight, competitor research and product positioning into campaign concepts, hooks and multi-format creative. Founder of Witlyn, an AI-native commercial studio; developed five uncommissioned portfolio campaign packages (135+ assets) spanning commercial video, paid-social stills and product visuals. Directs work from brief and storyboard through production, edit and quality review.

CORE SKILLS

Creative Strategy: Audience and market research • Competitor ad analysis • Messaging and positioning • Concept and hook development • Creative briefing • Paid-social variations • Testing frameworks

Commercial Direction: Art direction • Scripts and storyboards • Shot design • Composition and lighting • Visual storytelling • Campaign consistency • Product and packaging fidelity QA

TOOLS & PLATFORMS

AI Production: Nano Banana • Google Flow • Higgsfield • Claude

Editing & Design: Adobe Premiere Pro • Adobe Photoshop • CapCut • Canva

Research & Ads: Meta Ads Library • Meta Ads Manager • TikTok Ads Manager • Google Sheets / Excel

PROFESSIONAL EXPERIENCE

Founder, Creative Strategist & AI Commercial Director — Witlyn

Oct 2025–Present

- Founded Witlyn as an AI-native commercial studio, owning positioning, creative strategy, commercial direction and end-to-end production.
- Developed five complete spec campaign packages (135+ assets); all are uncommissioned portfolio concepts, not client campaigns.
- Used audience and competitor-ad research to define positioning, messaging, creative angles, hooks and campaign briefs before production.
- Directed scripts, storyboards, shot plans, visual style, AI-assisted production and editing across hero videos, hook variations, stills and social formats.
- Reviewed packaging, logos, typography, proportions, texture, lighting and continuity to maintain product fidelity and commercial usability.

SELECTED SPEC CAMPAIGNS

Nuécera — Moisturizing Cream | Spec Commercial / Uncommissioned Concept

Barrier-repair idea built around “moisturizing daily but still dry?”; hooks, video and paid-social visuals.

Aura Purify — Gel-to-Milk Cleanser | Spec Commercial / Uncommissioned Concept

Product demonstration using the gel-to-milk texture transformation as the visual hook.

Solaé — Invisible Sun Serum | Spec Commercial / Uncommissioned Concept

Daily SPF positioned as a morning ritual through product-first storytelling and social variations.

Lipéa — Peptide Lip Serum | Spec Commercial / Uncommissioned Concept

Benefit-led concept showing high shine and non-sticky wear through visual product proof.

EDUCATION

Bachelor of Computer Science (Artificial Intelligence) — Lincoln University Malaysia | 2026
